Both NAOP and GNT finals are rotated every year between Hot Springs Village and Little Rock and split with Jonesboro. 10. Playing fees for the Unit Team Game Championship will go to DeGray Sectional profits. To allow for more lower strata involvement and enthusiasm the 3-2-1 point spread whereby each team can have no more than 8 points will be spread as: A=2000+ MP = 3 points, B=500-≤2000 MP = 2 points, and C=0-≤500 MP = 1 point. Each team is limited to only one A player. Your total number of masterpoints is determined as of January 1. Club qualifications must be held before June 30. If 1-6 teams participate in qualification, one team will compete in DeGray; if 7-12 teams participate in qualification, then two teams will compete in DeGray; with more than 12 teams participating, three teams will compete in DeGray. All Sectional Tournaments in the Unit (DeGray, Hot Springs Village, and Little Rock, but not including the 299er tournaments) will use the same 8-point system and limitation to one A player for the top bracket of each Knockout.
11. Unit # 161 will try a handicap formula of $1\frac{1}{2}$ x ACBL formula for Unit 161 sectionals.
12. All clubs in Unit 161 will share, proportionately by participation, in the profits of a unit sponsored Sectional tournament if: 1) the club has sanctioned games that are closed for the duration of the tournament; or 2) the club does not have sanctioned games during the tournament but whose club members are in attendance at the tournament.
13. During the process by which a Sectional tournament is approved by the Unit, District, and ACBL, the Unit will decide if they or the club will be the sponsor. The sponsor's responsibility includes: providing seeding money, revenue sharing of profits if unit sponsored, or revenue loss absorption by the unit if unit sponsored.
